

FOIA Reading Room Certification

Pursuant to Executive Order 13,392, "Improving Agency Disclosure of Information," the Attorney General Report of May 30, 2008, and the Department of Justice FOIA Post on Executive Order 13,392 Reading Room requirements, the Chief FOIA Officer has conducted a review of the electronic reading room and the conventional reading room on the Freedom of Information (FOIA) homepage for the Farm Credit Administration (FCA or Agency), and found them to be in compliance with the FOIA, 5 U.S.C. 552.

Internal Review of the FCA Reading Rooms

The FCA reading rooms were reviewed for the purpose of determining whether they were in compliance with the legal requirements for FOIA reading rooms.

Reading Room Deficiencies

One deficiency was noted for the conventional reading room and corrected. We have added the location of the Agency's reading room on its FOIA webpage.

Certification

After review and remedying of the above-noted deficiency, it is the opinion of the Chief FOIA Officer that the Agency's reading rooms are in compliance with the requirements of the FOIA.
