---

**§ 1402.15 Business information.**

(a) Business information provided to the Farm Credit System Insurance Corporation by a business submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section. The requirements of this section shall not apply if:

(1) The Farm Credit System Insurance Corporation determines that the information should not be disclosed;

(2) The information lawfully has been published or otherwise made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(b) For the purpose of this section, the following definitions shall apply.

(1) *Business information* means trade secrets or other commercial or financial information.

(2) *Business submitter* means any person or entity which provides business information to the government.

(3) *Requester* means the person or entity making the Freedom of Information Act request.

(c)(1) The Freedom of Information Officer shall, to the extent permitted by law, provide a business submitter with prompt written notice of a request encompassing its business information whenever required under paragraph (d) of this section. Such notice shall either describe the exact nature of the business information requested or provide copies of the records or portions thereof containing the business information.

(2) Whenever the Freedom of Information Officer provides a business submitter with the notice set forth in paragraph (c)(1) of this section, the Freedom of Information Officer shall notify the requester that the request includes information that may arguably be exempt from disclosure under 5 U.S.C. 552(b)(4) and that the person or entity who submitted the information to the Farm Credit System Insurance Corporation has been given the opportunity to comment on the proposed disclosure of information.

(d)(1) The Farm Credit System Insurance Corporation shall provide a business submitter with notice of a request whenever:

(i) The business submitter has in good faith designated the information as commercially or financially sensitive information; or

(ii) The Farm Credit System Insurance Corporation has reason to believe that the disclosure of the information may result in commercial or financial injury to the business submitter.

(2) Notice of a request for business information falling within paragraph (d)(1)(i) of this section shall be required for a period of not more than 10 years after the date of submission unless the business submitter requests and provides acceptable justification for a specific notice period of greater duration.

(3) Whenever possible, the business submitter's claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the

business submitter that the information in question is in fact a trade secret or commercial or financial information that is privileged or confidential.

(e) Through the notice described in paragraph (c) of this section, the Farm Credit System Insurance Corporation shall, to the extent permitted by law, afford a business submitter a reasonable period within which it can provide the Farm Credit System Insurance Corporation with a detailed statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act and, in the case of the exemption provided by 5 U.S.C. 552(b)(4), shall demonstrate why the information is contended to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under the Freedom of Information Act.

(f)(1) The Farm Credit System Insurance Corporation shall consider carefully a business submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever the Farm Credit System Insurance Corporation decides to disclose business information over the objection of a business submitter, the Freedom of Information Officer shall forward to the business submitter a written notice which shall include:

(i) A statement of the reasons for which the business submitter's disclosure objections were not sustained;

(ii) A description of the business information to be disclosed; and

(iii) A specified disclosure date.

(2) The notice of intent to disclose required by this paragraph shall be sent, to the extent permitted by law, within a reasonable number of days prior to the specified date upon which disclosure is intended.

(3) The Freedom of Information Officer shall send a copy of such disclosure notice to the requester at the same time the notice is sent to the business submitter.

(g) Whenever a requester brings suit seeking to compel disclosure of business information covered by paragraph (d) of this section, the Farm Credit System Insurance Corporation shall promptly notify the business submitter of such action.
